

LED Track light

YTTR003

PRODUCT DATASHEET

10/20/30WW

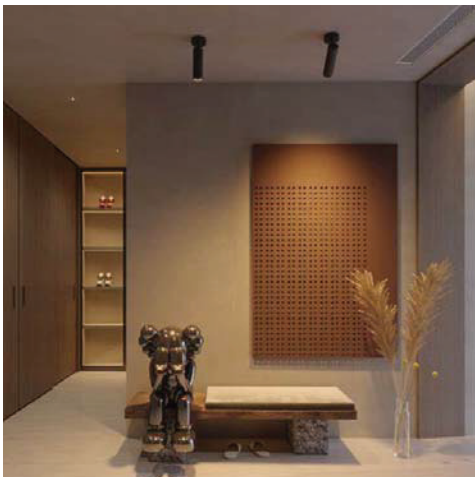

Product Features

- Aluminium diecasting Housing Material+Polycarbonate cover
- Integrated LED Driver
- Excellent heat dissipation thanks to hollow convection heat dissipation design, long lifetime
- Two-piece ring design , more color combinations
- Compact design make lower logistics and warehousing costs
- High efficacies up to 90lm/W

Benefits

- Flicker Free & no blue light hazard, eye comfort;
- Classic shape apply with Class II track Rails, easy to install
- Safe and low maintenance costs;

Application

- ※ shop, store, mall
- ※ office
- ※ hotel
- ※ home
